# DEEPIKA PUBLIC SCHOOL

MANESAR

SESSION:- 2025-26

CLASS:- 7th

Dear Students

Summer vacations are synonymous with fun, frolic, getting up late in the morning, going for picnics, spending time with friends, exploring new places, and watching fun filled shows on television. But there is lot more you can do to make your vacations more meaningful, interesting, and fun while still doing your favourite activities.

Here are some suggestions you may like:

- Go out for morning walk and spend time to observe nature.

- Watch your mom working in the kitchen and help her keep the house clean.

- Visit your grandparents, spend time with them.

- Teach them to operate some useful applications in mobile phones.

- Plant a sapling and watch it grow.

- Play any sport with your parents which they played during their school days.

- Devote some time for reading during the summer break. Some suggested books:

Summer vacation is the time when you can be more candid and creative. The Holiday assignments are focused to let the creative and latent talents, skills and desires of the children come to the surface in a joyful and experiential manner.So dear children, Get... Set... Go... Enjoy doing the activities and ensure timely completion of the given assignments.

COMPREHENSION

➢ **Read the following passage and answer the questions that follow .**

1.A long time ago, tigers were the most stupid of all creatures: They didn't have even the simplest of the life skills. So the king of tigers went to a cat to seek her advice. The cat started giving the tiger some lessons in life skills The cat taught the tiger how to stalk, crouch, pounce and spring and many more things. At last, the tiger thought that he had learnt everything. So, he decided to practise his newly learnt skills. First of all he practised leaping. He, for a trial, pounced upon the cat, intending to kill and devour her. The cat didn't take even a second to climb up a nearby tree, but the tiger did not know how to climb The tiger roared aloud, 'Come down cat, come down this minute."No Never, replied the cat. "Thank God I didn't teach you everything I know. Otherwise you would have killed me even on the tree. So, the tiger still doesn't know how to climb a tree.
